The Dwight D. Eisenhower Library

The Sec. called, and H. said the papers were fine there. The Sec. said they blew up here.

The Sec. said re Yalta - he decided he had better put in a reference to H.'s phone call. H. said o.k. So many people know about it, said the Sec., and he read it to H. H. said o.k.

H. asked what about Collins. The Sec. said he has not talked to the people here. Probably not until tomorrow. H. said if we get it to Snyder, he will get it to Hagerty, and H. would like it by 9:30 tomorrow.
